Level 400 Predictable	Productive, interactive, responsive, enhanced, effective, adaptable, quality	“Let’s make things even better by measuring, analyzing and taking actions to improve based on that”
Level 300 Defined	Documented, policy-driven, planned, controlled, stable	“We have defined our processes, policies and procedures, everyone seems to be doing the right thing; let’s keep doing that”
Level 200 Managed	Routine, legacy, fire-fighting, variable, personally managed	“We should ensure everyone knows what they should be doing”
Level 100 Initial	Ad hoc, reactive, uncontrolled, chaotic, unstable, not designed	“Let’s keep putting the fires out and keep the lights on!”
